**Elevate Your Operations with Spot On Hose and Fittings**

[www.spotonhosefittings.com.au](http://www.spotonhosefittings.com.au)

A person is shown working with a large black hose in a factory setting. The person's hands are visible, holding the hose. In the background, there is industrial machinery, including a control panel with several circular gauges or buttons. The overall scene is dimly lit, with a focus on the person's hands and the hose.

Welcome to Spot On Hose and Fittings, where  
quality, precision, and exceptional service  
converge!

As a dynamic import and manufacturing powerhouse, we  
stand shoulder to shoulder with Ayrtec in Ningbo, China,  
shaping the landscape of the manufacturing, earthmoving, and  
mining industries.

# UNLEASHING OUR CAPABILITIES

At Spot On, we aren't just suppliers; we're your strategic partners, bringing over 33 years of dedicated expertise to the forefront. Picture this: a symphony of innovation and reliability, where all your hose making and assembly needs are met with precision. Our in-house manufacturing hub is a testament to our commitment to quality, adhering strictly to MDG41 and RS22 guidelines for Underground Coal Mining.

Spot On specializes in delivering cutting-edge hose and fitting kits tailored for the manufacturing, earthmoving, and mining sectors. Whether it's Continuous Miners, Shuttle Cars, Boot Ends, or Multi Bolters, we have you covered. Our strategically located stores in Unanderra and Beresfield, and distributors in Melbourne and Western Australia, as well as other regional parts of Australia, we ensure swift and efficient delivery to keep your operations running smoothly.

# THE SPOT ON ADVANTAGE

## Proactive Partnership

Experience the Spot On difference – we proactively eliminate pain points by maintaining a substantial inventory in our warehouses. Your requirements are met promptly and efficiently, allowing you to focus on what you do best – driving success in your industry.

## Reliable Expertise

Our large team of experts is equipped with unparalleled product knowledge and hands-on experience in hose making and testing. We don't just meet industry standards; we redefine them.

## Tailored Solutions

We understand the unique demands of the manufacturing, earthmoving, and mining sectors. Spot On provides tailored delivery solutions, ensuring your operations receive exactly what they need, when they need it.

# WHY SPOT ON IS YOUR FIRST CHOICE

## **Market Leaders:**

With a proven track record and a large range of parts and sizes, Spot On is not just a supplier – we are market leaders, setting new standards in the industry.

## **Competitive Edge:**

We disrupt the norm by offering unbeatable pricing, unparalleled customer service, and a commitment to on-time delivery. Spot On is synonymous with reliability and excellence.

## **Customer-Centric Approach:**

Our promise is simple – we treat your challenges as our own. No chasing required; we stay in close contact from order inception to dispatch, ensuring your satisfaction every step of the way.

Elevate your operations with Spot On Hose and Fittings. Join us in a partnership that not only meets your expectations but exceeds them. For purchasing officers driving success in the manufacturing, earthmoving, and mining industries, Spot On is the choice that takes you higher.
